

## TEACHER'S TRAINING PROGRAM

Training program before the beginning of each semester where teachers **teach in front of their colleagues** and **exchange views** on improvement in their **methodology and presentation**.

### Objectives:

1. To enhance teaching quality and pedagogies.
2. To facilitate collaboration and knowledge sharing among faculty members.
3. To promote peer learning among faculty members.

### “Teacher’s Training Program”

- Prior to the start of each semester, faculty members participate in teacher training session. During this session, each faculty member presents the topics they will cover in the upcoming semester to their colleagues within the department.
- Discussions ensue, focusing on teaching methodologies, presentation quality, and overall pedagogy, with the aim of identifying areas for positive enhancements in teaching quality.
- This collaborative process facilitates the exchange of innovative teaching and content delivery ideas, fostering a dynamic interaction between experienced educators and the emerging generation of faculty.
