Official Newsletter of
Department of Electronics and Communication Engineering

Institute

VISION

“To be recognized as an institution known for its academic excellence and innovation towards creating future leaders in their respective fields”

MISSION

- Imparting quality education with state of the art skills.
- Conducting research and development activities.
- Contributing technical and managerial services to the society.
- Adapting to ever changing educational and societal needs.

Department

VISION

“To be at the forefront of producing innovative and research oriented electronics and communication engineers on relevance to societal and industrial needs”

MISSION

- To promote research and innovation to meet the challenges of society and industry.
- To impart quality education to students to make them technically competent.
- To develop self learning attitude and leadership qualities with ethical skills to enhance the competitiveness of students.

Engineering Aspirants

Department has organized multiple days event on “**Engineering and its Future**” for PU / Diploma students from various colleges in and around mysore. MICA pu college students were addressed on 19th Feb 2021. Govt pu college students were addressed on 20th mar 2021. D.Banumaiah's Polytechnic students were addressed on 15th Sep 2021. The objective of the event was to provide the overview of higher education and the opportunities available. All the sessions were addressed by **Dr Srinivasa M G**, HOD and Robotics session by **Mr ravikumar R** and **Mr Guruprasad A M**.

Alumini Addressing

Department has organized an “**Alumini Talks**” for the benifit of ECE students of all the semester. The objective of the talk was to get answers to their questions about placements, higher education, certification courses, entrepreneurship, etc.

On 09th May 2021 **Ms Sushma H S (Alumini 2016 Batch, TCS)** addressed the students regarding communication skills, hurdles she faced and how she over came all those and got selected for TCS, etc

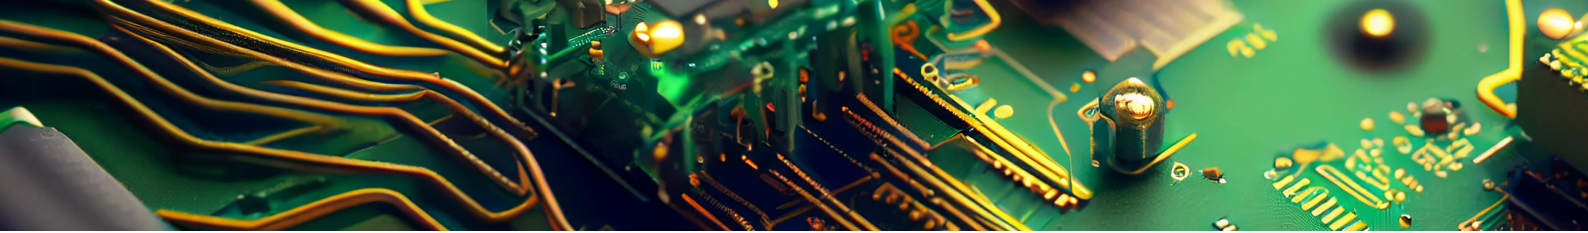

On 24th Aug 2021 **Ms Diana P** and **Mr Santhosh (Alumini 2016 B, Entrepreneur)** addressed the students regarding the opportunities available from the government side to start a start-up, Financial assistance options, etc

Farewell 2017-2021

Farewell from the Department as well as from college side has been arranged on 10th Sep 2021. Due to corona outbreak the event was held in the college premises itself. The event was filled with love and affection celebrating the different stages passed through the journey of four years in the campus of our Institute. **Principal** and **Mrs Bramarambha, HOD, Dept of ECE, JSS Poltechnic** addressed the gathering.

Industrial Visit -1

A one-day Industrial visit to **kaynes Technology India Private Limited, Mysore**, was organized by the department on 22nd December 2021. 56 students of 5th and 7th semester, along with 4 faculty members, undertook this Visit. During the visit students learnt about the process of Components procurement, component quality checking, components assembly on PCB, PCB soldering, etc as explained by **Mr Naveen gowda, HR unit-2**.

Industrial Visit -2

A one day industrial visit to KPTCL, 440KV substation near Kadakola was organized by the department for the 1st semester students on 24 Dec 2021. A group of 60 students of 1st sem and 3rd sem visited the power station. Faculty members Mr Ravikumar R and Mrs Subhashini R from the department accompanied the students. Mr Chandra Chooda (AE) and Ms Nagashree (JE) of the power station explain the complete process that is going to take place in the power station.

Activities

The Department takes initiatives for overall development of students and give them a practical orientation to inculcate employability skills which will help them to face this competitive world by conducting various technical and non-technical activities.

Paint & Sketch

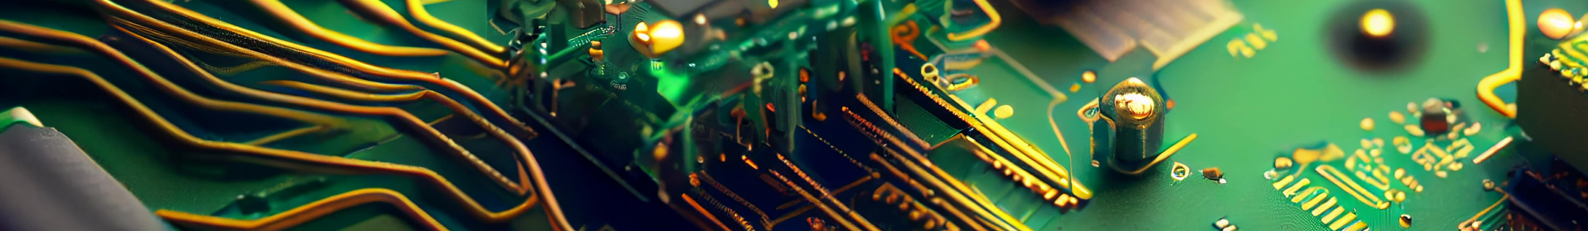

Painting, sketching and Craft event was organized under **ElectroGalaxy** for students on 18th Dec 2021. The objective of the event was to show case individual skill set like Creativity, Presentation, ethics, etc.

Kannada Quiz

To celebrate the kannada rajyothsava, **Kannada Quiz** event was organized under **ElectroGalaxy** for students on 11th Dec 2021. The objective of the event was to show case individual skill set like Creativity, Presentation, ethics, etc.
